deadline for abstracts: **April 30, 2013**

International Soft Matter Conference 2013

important dates

Deadline for abstract submission: **April 30, 2013**
Acceptance of contributed talks: **May 30, 2013**
Early registration deadline: **June 15, 2013**
(contributed talk speakers must register before this deadline)

location

The Conference will be held at Sapienza, Università di Roma, Piazzale Aldo Moro, 2. It is presently the largest University Campus in Rome, equipped with facilities for conferences. Plenary sessions will be held in the "Rettorato", the main building of the University. Parallel sessions will take place also at the Physics and Chemistry departments.

layout and design: Elisa Merino Vazquez

sponsored by:

 Consiglio Nazionale delle Ricerche
Dipartimento Materiali e Dispositivi

September
Rome, Italy **15-19, 2013**

SAPIENZA
UNIVERSITÀ DI ROMA

topics

- **Biological Soft Matter**
- **Colloids**
- **Dynamics of Complex Fluids**
- **Membranes**
- **Polymers**
- **Self-Assembly**
- **Surfaces and Interfaces**
- **Soft nanotechnology**

plenary speakers

Clemens Bechinger

Universität Stuttgart, Germany

Daan Frenkel

University of Cambridge, UK

Gerhard Gompper

Forschungszentrum Juelich GmbH, Germany

Jacob Klein

Weizmann Institute of Science, Israel

Amos Maritan

Universita' di Padova, Italy

Dan Luo

Cornell University, USA

Michael Rubinstein

The University of North Carolina at Chapel Hill, USA

Julia Yeomans

University of Oxford, UK

invited speakers

Dirk Aarts

University of Oxford, UK

Joerg Baschnagel

Université de Strasbourg, France

Lydéric Bocquet

Université Lyon 1, France

Frank Cichos

Universität Leipzig, Germany

Pietro Cicuta

University of Cambridge, UK

Paul Clegg

University of Edinburgh, UK

Roberto Di Leonardo

CNR-IPCF, Italy

Dennis Discher

University of Pennsylvania, USA

Gerald Fuller

Stanford University, USA

Jian Ping Gong

Hokkaido University, Japan

Jean-François Joanny

Institut Curie Paris, France

Willem Kegel

Universiteit Utrecht, The Netherlands

Mirjam Leunissen

FOM Institute AMOLF, The Netherlands

Yan Levin

UFRGS Porto Alegre Brazil

Tim Lodge

University of Minnesota, USA

Davide Marenduzzo

University of Edinburgh, UK

Roland Netz

Technische Universität München, Germany

Felix Ritort

Universitat de Barcelona, Spain

Ashutosh Sharma

Indian Institute of Technology, Kanpur, India

G.V. Shivashankar

National University of Singapore, Singapore

Emma Sparr

Lund University, Sweden

Kathleen J. Stebe

University of Pennsylvania, USA

José Maria Tavares

Universidade de Lisboa, Portugal

Veronique Trappe

University of Fribourg, Switzerland

Andrew Turberfield

University of Oxford, UK
